

## MESSAGE FROM ADVISORY BOARD MEMBER

It is a great pleasure that *Consortium: An International Journal of Literary and Cultural Studies* is going to publish the 2<sup>nd</sup> Issue of Volume-1 within a few days. Love for knowledge, perhaps, is the differentiating as well as identifying mark of human being. Not only this almost all of our purpose (purusārtha) is satisfied due to our knowledge. Keeping this in view Dharmakirti one of the leading Buddhist Philosophers, in the very outset of his famous book Nyāyabindu says “samyagjñāna pūrvikā sarvapurusārtha siddhiriti tatbutpādyate.” The *Consortium* to be published contains a number of papers written by different reputed and distinguished scholars which will allay the thrust of the scholars. I do hope that the said *Consortium* which is in the seed-form today will turn into a big tree with beautiful flowers and tasty fruits in the days to come.
