

MESSAGE FROM THE EDITOR-IN-CHIEF

I am elated to share the news of the publication of Volume - 1, Issue - 2 of *Consortium: An International Journal of Literary and Cultural Studies* in the month of December, 2021. This publication is taking place at a time when the whole world is struggling to cope up with the unforeseen waves of COVID-19 and the new variants are coming up with unknown possible threats. Naturally, a special issue on **Posthumanism** is not only relevant but also an opportunity to discuss and disseminate on the various aspects of posthuman conditions. I am more than sure that scholars as well as general readers will enjoy and will certainly be enlightened on reading the articles published in this issue.

I express my gratitude to Dr Subhadeep Paul for taking the arduous task of an issue Editor and completing it successfully. No word is sufficient to appreciate Gopal Sarkar and Balaram Balo for their herculean tasks and *orka* to bring out this issue.

Thanking you,

A handwritten signature in blue ink that reads "Sabuj Sarkar". The signature is fluid and cursive, with a long horizontal stroke at the end.
