

Message from the Editor-in-Chief

It is a matter of great pleasure that *Consortium: An International Journal of Literary and Cultural Studies*, Vol 2, Issue 1 is going to be published in June 2022, as scheduled earlier. It is also a matter of great pride that since its inception, *Consortium* has been punctual in its publication and has always been very meticulous regarding selecting the articles for every issue. Steve Jobs had a famous saying, “Be a yardstick of quality. Some people aren’t used to an environment where excellence is expected.” *Consortium* has always thought of “quality” instead of “quantity” and would like to maintain this policy more stringently.

This volume 2, issue 1, would necessarily reflect the same observation of the Editorial Board. Out of the collection of a huge number of articles, only a handful of pieces are finally given the green signal for publication in this issue. Following Aristotle, let quality be our “habit”, not an “act” only.

Thanking you,
